Dear Georgie and Tracey,

Thank you for speaking at the 18th Annual Book Festival of The Marcus Jewish Community Center of Atlanta on November 13th. It was a pleasure to host you. Your presentation was very entertaining and we know the audience greatly appreciated hearing the story behind the book. Your visit added a level of *fabulosity* and fun and helped make our festival a success.

We have tested some of your recipes and they were all delicious! What a refreshing change it is to use an updated, modern Jewish cookbook that understands how busy Moms-on-the-go want to entertain.

We hope that you enjoyed your visit to the MJCCA and that you will consider returning in the future.

Thank you again.

Sincerely,
