THE JEWISH PRINCESSES

Loughton Literary Ladies Lunch

On Wednesday 30th June the Jewish Princesses arrived in Loughton and were hosted at a luncheon at Loughton Synagogue. Over 100 ladies turned out to enjoy good food and the chance to meet Georgie and Tracey.

We all soon discovered that there were plenty of Jewish Princesses in Loughton as well and that a good JP knows how to run a house, cook, while not forgetting to have some fun. Being Jewish revolves around feasts and fasts, Tracey and Georgie help us to enhance the feast part.

The afternoon was enjoyed by everyone, Tracey and Georgie's chatter was both amusing and interesting and gave us all a chance to practice our Princesses while raising money for a good cause.
